CAYUGA COUNTY REPUBLICANS SUPPORT JOHN KATKO FOR CONGRESS

Auburn, New York – This evening, at the Nominating Meeting of the Cayuga County Republican Committee, Congressman John Katko (NY-24) was unanimously endorsed in his campaign for reelection to the U.S. House of Representatives.

This evening's endorsement follows those of both the Onondaga and Oswego County Republican Committees and demonstrates Congressman Katko's strong support across the district.

"Our Committee is proud to once again support John Katko for Congress," **said Cayuga County Republican Committee Chairwoman Sue Tanner**. "Congressman Katko has fought through gridlock to deliver results for Cayuga County and his entire district. He is a visible, responsive, and thoughtful leader for our community. Our Committee unanimously supports his candidacy and we look forward to having him represent us in Congress for many years to come."

"I am extremely grateful for the continued support of Chairwoman Tanner and the entire Cayuga County Republican Committee," **said Congressman John Katko**. "From Auburn, to Cato, to Kings Ferry, I've met with countless individuals and worked to understand and represent the needs of the Cayuga County in Washington. I've worked to prioritize agriculture, combat the devastating heroin and synthetic drug epidemic, and grow tourism and jobs in our region. I am committed to delivering results for all of Central New York, and I could not do that without the support of the Cayuga Committee."

Congressman John Katko was elected in November 2014 to represent 24th Congressional District of New York, which includes Onondaga, Cayuga, and Wayne Counties and the western portion of Oswego County.
