ONONDAGA COUNTY VETERANS PARTY ENDORSES JOHN KATKO FOR CONGRESS

Syracuse, NY – The Onondaga County Veterans Party today announced its endorsement of **Congressman John Katko** for the 24th Congressional District of New York.

The Onondaga County Veterans Party released this statement, “The Onondaga County Veterans Party is proud to endorse John Katko for Congress. As a Freshman, he has introduced more bills than any other NY-24 Representative in past history. We sent him there to do a job and we are proud of the job that he has done. Much of his work has been to help and serve our local veterans community, and we urge Central New York veterans to support him in November.”

“I’m incredibly proud to have once again received the support of the Onondaga County Veterans Party,” **said Congressman John Katko.** “Our veterans have put their lives on the line for our freedom and for our democracy, and they deserve the highest quality of care. In Congress, I’ve worked to reform the VA system to ensure that our veterans have access to healthcare – and especially mental healthcare, supporting initiatives to address the alarming rate of increase in veterans suicide. I’m focused on helping those who have served re-integrate into civilian life, supporting initiatives to improve educational opportunities for veterans and their families, and connecting former service men and women to jobs. I’ve also introduced and championed legislation to provide care for veterans exposed to Agent Orange. Again, I’m honored to receive this endorsement, and I’ll continue to be a steadfast champion for Central New York’s veterans community in Congress.”

Congressman John Katko was elected in November 2014 to represent the 24th Congressional District of New York, which includes Onondaga, Cayuga, and Wayne Counties, and the western portion of Oswego County. He will appear on the Republican, Conservative, and Independence party lines in November.
